Cathy Skinner - Vice Chair Minnesota Cancer Alliance, focus is physical activity

Lisa Randall JD – Minnesota Department Health, focus HPV

Kiara Ellis - Masonic Cancer Center U of M, focus community education and outreach

Thomas Kotke MD- Medical Director Health Partners, focus immunization and nutrition

1. Angie covered the workgroup's charge – purpose is to recommend objective and strategies for the next cancer plan. The workgroup will submit them to the steering committee in ranked order after considerations that include equity and alignment.
2. Jodie covered the current cancer plan highlighting the 4 high level objectives/strategies pertaining to this workgroup. She contrasted the current objectives/strategies to the more specific e-cigarette example to demonstrate what the workgroup is striving to accomplish.

Homework:

Members of the workgroup are asked to fill out the issue analysis worksheet. Only fill out the sections that relate to their area of expertise or interest. The worksheet is due Tuesday May 24, 2016 and should be sent to Shannon.Mills@cancer.org. Angie and Jodie will pool the information and use it as the starting point for the face-to-face meeting on May 31st.

Workgroup members are encouraged to include evidence-based research if they have it handy otherwise MDH staff will conduct the literature search for you. If new ideas come to mind later, members should feel free to bring them to the next meeting for discussion.

Next Meeting

A reminder will be sent out for the in-person meeting to be held at the ICSI office at 8009 34th Ave S. Suite 1200 in Bloomington. A call-in number will be available for those who cannot make the trip in.

Final product

Angie and Jodie will complete the deliverable sheet, send it out to workgroup members to review, and submit the final document on behalf of the prevention workgroup.
