

## OBJECTIVE 2 ■ ■

# Increase risk-appropriate screening for breast, cervical and colorectal cancers

### STRATEGY

2.1 Partner with community organizations to develop culturally appropriate cancer screening education and outreach programs to reduce disparities

### INDIVIDUALS WHO PLEDGED TO THIS STRATEGY

*To help flesh out a multi-organizational action plan to implement this strategy*

Lisa	Belak	<a href="mailto:lisa.belak@mngastro.com">lisa.belak@mngastro.com</a>
