

Working Session Discussions

Objective: 2

Strategy Number: 2.4

Recorder: Erin Peterson

- 1. How can you or your organization contribute to action around this strategy?**
 - Sage – 100 screening events in 2016 (churches, mosques, res., homeless, etc.). Over 100 in '17; new host sites requested.
 - Provide direct mail & services w/ incentives – provide support to those w/highest need
 - Call center patient intervention
 - ACS – FQHC financial resources “change grants” (transportation)
 - HBI – partner w/ providers for free services

- 2. What opportunities do you see to advance health equity within this strategy?**
 - ID populations not engaging w/ healthcare system
 - Community Health Worker
 - “Pastors wives project” – motivate the women in the congregation that can help motivate
 - Connecting people with resources in their community
 - More mobile health units. Meeting them where they are.
 - MNSure & other programs (Sage) – Answering questions about Medicare, etc.
 - Health insurance literacy

- 3. What opportunities do you see for organizations to work together (align)? What could working together look like?**
 - Continue to strengthen partnerships
 - Unification of messages to elected officials. Cost benefits.
 - Partnering across “cancers”.

- 4. What will you need to do to get started? Who else should be invited?**
 - Don't forget Rural!
 - Elected officials
 - Out-state
 - PCP
 - Payers
