

MN Cancer Alliance Strategy Action Project Funding Application

The primary purpose of Strategy Action Project funding is to support implementation of strategies of Cancer Plan Minnesota 2025 by Minnesota Cancer Alliance (MCA) members and their partners. In order to be eligible, applicants must work together as a Strategy Action Team and include at least two (2) new or existing MCA members. Action teams are encouraged to reach out to MCA Steering Committee members for additional support.

This proposal addresses

Cancer Plan MN 2025 Objective(s):	
Cancer Plan MN 2025 Strategy(s):	

Strategy Action Team Members
